

Maximum Protection and Comfort
Custom Designed and Made

GO Mouthguards are custom made and custom built to suit a specific sporting requirement, making it a smart choice for comfortable fit, superior quality and powerful protection.

- Comfortable yet tight-fitting
- Allows normal breathing and swallowing
- Allows normal speech
- Odourless and tasteless
- Thickness of 4 mm to provide protection against impact
- Australian Designed & Made
- All used materials are TGA approved

Choose from three major types of mouthguards depending on the type of impact level:

JUNIOR

Slim 2 layer laminated with indentation

All-round junior sports

STANDARD

2 layer laminated with indentation

Competitive sports that include moderate to high impact

PRO

3 layer laminated with bite trench

High risk sports like boxing that requires full protection
